THE DIRECTOR OF CENTRAL INTELLIGENCE

NIO No. 1650-75

Office of the Director

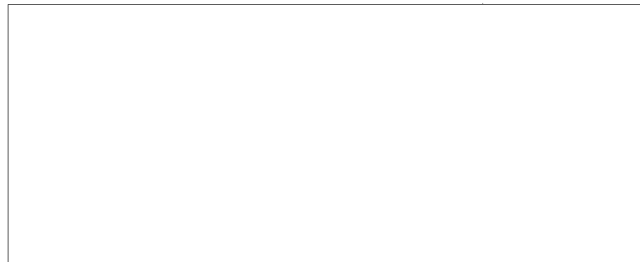

15 July 1975

MEMORANDUM FOR: NIO/Presentation and Publication
SUBJECT: Final Draft of China Key Intelligence Questions for FY 1976
REFERENCE: NIO No. 1520-75, dated 30 June 1975,
Subject: Re-Draft of China Key Intelligence Questions for FY 1976.

These final draft KIQs attempt to incorporate some of the helpful suggestions I received from recipients of our earlier drafts. I still welcome comments but these should be related only to significant changes. These particular KIQs have not been numbered because they will be incorporated in the overall final draft with other KIQs and there may be overlapping in some instances.
